MARION CAMPUS – The Ohio State University at Marion and Marion Technical College
Annual Campus Safety and Security Report - 2006

Marion Campus Safety and Security Information
This information is provided by The Ohio State University at Marion (OSUM) and Marion Technical College (MTC) as part of our shared commitment to safety on campus, and in compliance with the Student Right to Know and the Crime Awareness and Campus Security Act of 1990, renamed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in 1998. For more information on the safety programs outlined in this document, please refer to the office or department listed. In the interest of your safety, MTC and OSUM hope you will become familiar with this material. Additional copies of this report, as well as additional safety and security information, can be obtained at the Marion Campus Public Safety Office, located in Morrill Hall, Room 140; or you may call 740-725-6300.

The Marion Campus
The Marion Campus, a commuter campus, is comprised of seven buildings located on 180 acres and shared by two autonomous institutions. The campus is located on Mount Vernon Ave. (SR95), approximately ½ mile west of US 23. MTC and OSUM jointly operate all parking lots, the library, student activities and maintenance facilities; and contract with vendors to operate the bookstore and vending services. There are over 3000 students, faculty, staff and visitors regularly using Marion Campus facilities. Located immediately adjacent to the Marion Campus is the Center for Workforce Development, operated by MTC in a leased facility that includes offices, conference and training rooms and classrooms. Located approximately 30 miles south of Marion, but considered part of Ohio State Marion, is the Delaware Center. The Delaware Center has full time and commuting staff/faculty and approximately 650 students using the facility, which is comprised of one leased building near the intersection of US 23 and Orange Road. The above-described facilities offer day and evening courses. There are no campus or non-campus residence halls; or facilities associated with student organizations.

Public Safety/Security
The Marion Campus strongly encourages prompt, accurate reporting of all crimes or suspicious activities or incidents. The Marion Campus utilizes the Marion County Sheriff’s Office (MCSO) as the primary contact for emergency services. Sheriff Deputies respond to calls for assistance and handle incidents consistent with MCSO policies and procedures. MCSO enforces all local, state and federal laws consistent with their assigned duties and may also make referrals to Marion Campus departmental authorities with respect to violations of law. Statistics for this report and the on-line “Clery” filing requirements are obtained from OSUM and MTC departmental authorities and Marion County Sheriff Office/Records Division. MTC contracts with the Marion County Sheriff’s Office for evening special duty officers (usually Monday through Thursday from approximately 6 p.m. to 10 p.m.) to provide additional safety and security for those using the campus during the evening hours. The State Highway Patrol and the OSU Division of Police are additional law enforcement, safety and security resources utilized by Marion Campus. The Delaware County Sheriff’s Office (DCSO) is the primary contact for emergency services at the Delaware Center. Because there is no on-campus law enforcement available at that location, all emergency calls are handled by the DCSO.

Personal Responsibility
In spite of the Marion Campus’ small city location and relatively smaller physical size, crime does occur. Members of the campus community are encouraged to be aware of their surroundings and situation, and to be responsible for their personal safety. Continual efforts are made to ensure the safety of the campus community by having grounds that are well lit, patrolled and traveled. The Marion Campus publishes the Annual Safety and Security Report and Campus Crime Statistics so that students, faculty and staff will be aware of the potential for crime. Information regarding crimes on campus and areas immediately adjacent to and accessible from campus can be obtained at the Marion Campus Public Safety Office. The public safety office will also make available “Timely Warnings” in order to notify the campus community of a violent crime against a person or a particularly threatening crime against property on campus; or immediately adjacent to and accessible from campus, that represents an ongoing danger to the safety of students, faculty and staff (Refer to Timely Warning Policy in this document). Safety information and warnings provide members of the campus community the means to plan accordingly for their own safety. We subscribe to the philosophy that publicizing crime and campus safety information will only help make the campus safer. Similarly, we subscribe to the philosophy that an alert, well educated campus is a safe campus. Consequently, all campus departments are involved with maintaining a safe campus environment.
MARION CAMPUS – The Ohio State University at Marion and Marion Technical College
Annual Campus Safety and Security Report - 2006

Reporting Crime or Emergencies
The Marion Campus strongly encourages prompt, accurate reporting of all crimes or suspicious activities or incidents. Under Ohio law, persons who have knowledge of a felony (a victim or witness to the crime) are required to report the crime to the police (Ohio Revised Code § 2921.22). Failure to report a crime may itself be a crime.

Information on criminal behavior may be reported to the Marion Campus Public Safety Office or Marion County Sheriff’s Office (Marion Campus), Delaware County Sheriff’s Office (Delaware Center) and the following departmental authorities as they pertain to either MTC or OSUM: Student Affairs, Student Organization Advisors, Athletic Directors, President’s Office or Vice-President’s Office or Dean’s Office. Marion Campus strongly encourages crime victims to report all criminal activity to law enforcement.

Ohio’s public records law (Ohio Revised Code § 149.43) does not permit Marion Campus Public Safety to hold reports of crime in confidence. Reports made to counselors, mental health professionals or under certain circumstances, a physician or nurse at the Student Health Center or a hospital can generally be kept confidential. Other reports may also be legally confidential (e.g. reports to clergy). Because of the requirements of public records laws, and counselor, medical professional and clerical confidentiality, the Marion Campus does not have a policy that permits confidential reporting of crimes to these individuals for inclusion in the annual crime statistics report.

The Public Safety Officer prepares the annual disclosure of Campus Crime Statistics. The data are obtained from campus reports and reports from appropriate law enforcement agencies. Criminal statistics from the Delaware County Sheriff’s Office, pertaining to the Delaware Center, are included in “non-campus” statistics for purposes of the annual report. No formal police report is required for a crime to be included in the statistics. Every effort is taken to ensure that statistics are as accurate and complete as possible. Anyone with questions or concerns regarding the annual report may contact Marion Campus Public Safety at 740-725-6300.

Emergency Reporting
In the event of a fire, medical or law enforcement emergency, when calling from the Technical Education Center or the Center for Workforce Development, dial 9-9-1-1 in order to establish the outside line.

Dial 9-1-1 to report emergencies if calling from phones located in the Alber Student Center, the Library/Classroom Building, the Maintenance/Storage/Receiving Building, Maynard Hall, Morrill Hall or the Delaware Center.

When calling 9-1-1 on a cell phone from campus, the call will be routed to the Marion County Sheriff’s Office (Marion Campus); or the Delaware County Sheriff’s Office (Delaware Center).

Non-Emergency Reporting
Normal business hours maintained by the Marion Campus Public Safety Office are Monday - Friday, 9 a.m. to 6 p.m. Reports of crimes/incidents occurring on the Marion Campus that do not require an immediate response may be made by calling 740-725-6300. Extension (6300) may be utilized to call from campus phones with appropriate extension prefixes; depending from which building the call is being made.

Technical Education Center and Center for Workforce Development: Dial 8-0-5-6300
All other buildings (including Delaware Center): Dial 5-6300

Reports may also be made in person during those hours by visiting the public safety officer; or by visiting another campus department authority (e.g. Student Affairs Director) for assistance with making a report. The Public Safety Office is located in Morrill Hall, Room 140.

Courtesy Phones
Marion Campus provides courtesy phones at the following locations: (1) Maynard Hall – Rotunda area (2) Student Center – Northwest entrance foyer (3) Library/Classroom Building – Rotunda area (4) Morrill Hall – Southeast entrance adjacent to student lounge (5) Technical Education Center – in hall across from Room 108. The phones can be used in emergency and non-emergency situations where members of the campus community need to contact law enforcement or emergency services. Phone use instructions and emergency numbers are posted at each location.
MARION CAMPUS – The Ohio State University at Marion and Marion Technical College
Annual Campus Safety and Security Report - 2006

Campus Buildings/Grounds
When classes are in session on the Marion Campus, most campus buildings are open from 7:00 a.m. until the last evening class lets out (usually no later than 10:30 p.m.), Monday through Friday. Similar hours are maintained at the Delaware Center. Campus hours vary during the year, but changes are posted in a timely fashion through various methods (e.g. student email, websites). When the campus is closed, all buildings are locked and may be opened only by authorized personnel. The Marion Campus building/grounds maintenance staff, who are required to wear uniforms with identifying insignia, are responsible for maintenance, safety and environmental security of buildings and grounds, to include lighting and tree trimming. Campus lights and landscaping are evaluated constantly with regard to safety issues and campus crime reports are also used to identify problem areas on campus. No established campus or non-campus residence halls are operated by the Marion Campus. Emergencies may necessitate changes or alterations to any posted campus schedules or hours. In the case of an extended closing, the Marion Campus will admit only those who have approval onto campus grounds. During periods of potential closings or delays, students should closely monitor local news media, radio stations, email or internet postings to determine the status of the campus. MTC, OSUM and Delaware Center generally make independent decisions with regard to delays or closings. Closings, delays and directions are posted at the following websites:

Closings and Delays:
For OSUM & Delaware Center: http://www.marion.ohio-state.edu/delays_directions/delays.html

The Superintendent of Facilities and Security, Ron Turner, is responsible for campus building/grounds maintenance. Facilities/Building Maintenance can be reached at 740-725-6276. Building emergencies can be reported (including after business hours) by calling this number. The phone transfers to a portable radio when staff is out of the office.

Timely Warning Policy
The Marion Campus Timely Warning Policy exists to notify the campus community of a violent crime against a person or a particularly threatening crime on campus that represents an ongoing danger to the safety of students, faculty and staff. All crimes should be reported to campus public safety for the purpose of making timely warnings and for the disclosure of annual statistics. The Marion Campus Public Safety Office will disseminate a timely warning to the campus community by using “Crime Alert” posters, email, local news Media, newsletters and other mailings/methods as deemed appropriate by the Public Safety Supervisor. When advised by local authorities of crimes occurring off-campus that represent an ongoing threat to the safety of students, faculty and staff, Marion Campus Public Safety will use the same method as above in an effort to publicize the crime to the campus community. Information to be included in the timely warnings is as follows: (1) A succinct statement of the incident; (2) Possible connection to previous incidents, if applicable; (3) Physical description of the suspect; (4) Photo or composite drawing of the suspect, if available; (5) Date and time the warning was released; and (6) Any other relevant and important information.

Security Awareness and Crime Prevention
Both MTC and OSUM offer continuing educational programs on personal safety, security awareness and crime prevention. OSUM provides students with appropriate safety, awareness and crime prevention training during new student orientations as well as during the University Survey course (USAS 100). Michael Short, Director of Student Affairs, Room 100H, Maynard Hall, is responsible for OSUM student programs. OSUM employees are provided with similar information during their new employee orientation through the Human Resources Office, Room 250 Maynard Hall. MTC provides students with appropriate safety, awareness and crime prevention training during the College Orientation course (Skills for Success). R. Andrew Harper, Vice President of Student Services, Room 176 of the Technical Education Center, is responsible for MTC student programs. MTC employees are provided with similar information by Rick Heisel, Personnel Specialist, Room 106 of the Technical Education Center. The Marion Campus Public Safety Office is available to assist students; faculty and staff with safety/security needs, as well as provide individual assistance, group presentations or other crime prevention or security assistance to the campus community. Marion Campus Public Safety distributes a Safety Information brochure annually, which provides students and employees with helpful safety and security information.
Personal Safety Tips
Following are some tips for increasing personal safety both on and off the Marion Campus or at the Delaware Center. Emergency contact numbers are also included in this section for both Marion Campus and Delaware Center.

- Report any crime or suspicious behavior immediately
- When walking to or from campus, walk with confidence; show that you are aware and in control. Be constantly aware of your surroundings.
- If you have a cell phone, ensure that it is charged before you leave campus.
- Walk with at least one other person.
- Use well lit, well traveled routes.
- When walking, take note of potential hiding spots and use caution as you approach them.
- When approaching your car or your door, get your keys out in advance; don’t fumble for your keys at the door.
- Notify others of your plans (i.e. arrival/departure times and locations)
- Avoid carrying large amounts of cash.
- If you feel uncomfortable in a situation, leave as soon as possible.
- If available at your location, call for an escort in the evening.
- Consider carrying a small, readily available high-intensity flashlight.
- Always lock your vehicle doors, even while you are driving.
- Park in well lighted areas and remove valuables from sight.
- Be familiar with emergency procedures provided by the campus.

In the event of a fire, medical or law enforcement emergency, dialing 9-1-1 or 9-9-1-1 will mobilize the appropriate response - regardless of the time of day.

Dial 9-1-1 to report emergencies if calling from phones located in the Alber Student Center, the Library/Classroom Building, the Maintenance/Storage/Receiving Building, Maynard Hall, Morrill Hall or the Delaware Center.

When calling from the Technical Education Center or the Center for Workforce Development, dial 9-9-1-1 in order to establish the outside line.

When calling 9-1-1 on a cell phone from campus, the call will be routed to the Marion County Sheriff’s Office (Marion Campus); or the Delaware County Sheriff’s Office (Delaware Center).

Drug and Alcohol Policies
Both OSUM and MTC prohibit the illegal use, production, manufacture, sale, distribution and/or possession of alcohol, drugs or controlled substances by any faculty, staff, or students on Marion Campus. The Marion Campus works in conjunction with the Marion County Sheriff’s Office to enforce local, state and federal laws for alcohol and drug violations on campus. Efforts include the enforcement of Ohio underage drinking laws. Events occurring on Marion Campus, where alcohol will be served, require prior approval from the President (MTC) or Dean/Director (OSUM). The Marion Campus’ alcoholic beverage policy requires that all persons attending any function at which alcohol is served must be able to show proof of legal drinking age. Non-alcoholic beverages are provided for individuals attending such functions. In addition, the misuse of substances which present physical or psychological hazards to individuals is prohibited by the Marion Campus. Penalties for violation of these regulations are set forth in the respective institutional Codes of Student Conduct. Violations may include referral to appropriate federal, state and/or local authorities for prosecution (external sanctions); or referral to appropriate Marion Campus authorities for the purpose of judicial/disciplinary sanctions (internal sanctions). Violations can result in both internal and external sanctions. Violation penalties may include, but are not limited to referral to drug or alcohol counseling/treatment programs to expulsion (students) or termination (employees). The Conduct Code for MTC students can be located at: http://www.mtc.edu/General/campus/StudHdbk0405.pdf, The Student Code of Conduct for OSUM and Delaware Center students can be found at: http://studentaffairs.osu.edu/resource_csc.asp.
Drug and Alcohol Abuse Prevention

The Federal Drug Free Schools and Community Act requires schools, colleges and universities receiving federal financial assistance to implement and enforce drug and alcohol prevention programs for students and employees. OSUM and MTC have adopted and implemented drug and alcohol abuse prevention programs for students and employees. Each institution has its own program for employees, but cooperatively operates a common program for all Marion Campus students. David L. Beckel, Director of Student Activities for both institutions is responsible for the joint effort program. His office is located in the Alber Student Center, Room 104. Once per quarter during the regular academic year, the campus sponsors a Drug and Alcohol Abuse Prevention program intended to educate, heighten awareness and promote prevention of abuse. OSUM and Delaware Center students can refer to the following website for additional guidance for safer and healthier living: http://www.swc.osu.edu/default.asp This OSU site offers a variety of health/wellness information. MTC publishes “Drug-Free Information,” a brochure describing MTC policies and applicable state and federal laws and sanctions. The brochure also describes possible risks and includes area agencies that may provide assistance. Drug-Free Information brochures are available on a brochure rack outside the MTC Information Center or from the Student Services Office. Additional support can be obtained by contacting the MTC Student Resource Center in the Technical Education Center, Room 183.

Sexual Assault Prevention and Response

Students who are survivors of sexual assault should immediately report the incident. Reporting an assault does not require filing criminal charges, but it does allow available support systems to be put in place for the survivor. Students can make their report to any campus security authority, including, but not limited to, the campus public safety officer, local law enforcement, Office of Student Affairs, advisors to recognized student organizations and athletic directors. Proper Marion Campus personnel will assist the student in notifying the authorities if requested. Students reporting a sexual assault will be offered assistance in obtaining medical support and information regarding legal and judicial action, as well as counseling and support services. Students who choose to file criminal charges should be aware of the importance of immediately reporting the incident and the importance of preserving physical evidence at both the assault scene and on the victims’ person. The gathering of physical evidence can provide important evidence and support of criminal charges leading to a successful prosecution. Students who are reporting an immediate assault should be accompanied to a health care facility of their choice to allow for collection of evidence and treatment. If a sexual assault victim chooses to report the incident days, weeks or even months after the assault, important support systems are still available and can be arranged; however, criminal investigations then become much more difficult. Sexual assaults, for which individuals seek medical treatment, must be reported to the appropriate police agency by health care officials. However, as noted above, students are not required to criminally prosecute the case or file a police report, unless the sexual assault victim is a minor. If requested by the victim, appropriate Marion Campus departmental authorities will assist the victim in changing their academic situation after an alleged assault.

In addition to criminal charges, students have the right to bring charges through MTC or OSUM judicial or disciplinary systems. OSUM or Delaware Center students should contact Michael Short, Director of Student Affairs, Room 100H, Maynard Hall. MTC students should contact R. Andrew Harper, Vice President of Student Services, located in Room 176 of the Technical Education Center. In addition to legal and judicial action, a victim of a sexual assault may consider retaining a private attorney for the purpose of filing a civil action for recovery of damages. Descriptions regarding each institution’s judicial process can be located in the Student Handbooks, available in hardcopy or by visiting the respective institution websites. The specific website addresses for each institution are: OSUM/Delaware Center: http://studentaffairs.osu.edu/resource_csc.asp
MTC: http://www.mtc.edu/General/campus/StudHdbk0405.pdf

OSUM and MTC judicial/disciplinary procedural requirements are not as formal as those existing in the civil courts of law. MTC students should contact the Student Resource Center; and OSUM and Delaware students should contact the Student Affairs Office for detailed information regarding this process. To ensure fairness, the following procedures apply:
Both the accused and the accuser may have an individual of their choice present to advise or support him or her. The advisor may only provide support and counsel to the student and may not actively participate in the hearing, unless clarification is needed, as determined by the hearing officer or panel.

Both the accused and the accuser may submit a written statement and may recommend to the appropriate authority that witnesses attend on their behalf. Appropriate authorities may call witnesses, as well as question those appearing on behalf of the accused and accuser. In cases where written witness statements will be allowed without the presence of the witness, both the accused and accuser will be given the opportunity to review the materials.

During the hearing, both the accused and accuser shall be given the opportunity to testify and present evidence. The accused and accuser may direct questions at the witnesses through the panel chair. The accuser has the right to provide a statement of impact to the hearing officer or panel.

Both the accused and accuser shall be provided with the hearing outcome within 48 hours of the decision by the hearing officer or panel. If an accused student is found in violation and appeals the outcome, the accuser will be notified of the pending appeal and its final outcome.

Sanctions imposed by MTC or OSUM are varied and depend upon the degree of severity of the violation. Sanctions and terms include, but are not limited to formal reprimand, conduct probation, disciplinary probation or permanent dismissal. Additional educational sanctions may include participation in workshops, as well as recommended counseling and community service. When sanctions are imposed, consideration will be given to the individual mitigating circumstances as well as aggravating factors, such as past misconduct by the accused student or failure of the accused student to fully comply with previous sanctioned conditions.

The Student Services Section of the MTC Student Handbook offers information on personal safety and security, as well as other helpful information regarding assault prevention and general safety. The Ohio State University, Student Affairs Office, publishes an on-line (pdf) Resource Guide for Sexual Assaults Involving Students. The resource guide contains information and policies concerning sexual assault; and makes reference to the Student Code of Conduct, for which all OSUM and Delaware Center students are held accountable. The resource guide can be found at: http://swc.osu.edu/posts/documents/Sexual%20Assault%20Resource%20Guide%2006.pdf. OSUM or Delaware Center students needing further assistance with such matters can contact Marion Campus Public Safety or the Office of Student Affairs, Room 100H, Maynard Hall.

SVES (Sexual Violence Education and Support) offers programs to reduce the incidence of rape and sexual assault, in addition to aiding rape survivors and their support persons. Programs include self-defense courses; rape prevention workshops for both women and men; speakers, literature, and videos for instructors to use in their classrooms; and referrals for sexual assault resources in the community, including referrals for anonymous support services for sexual assault survivors. The SVES website is http://www.swc.osu.edu. These resources and programs are offered through The Ohio State University and are periodically made available to Marion Campus. For more information or assistance, Marion Campus students should contact the Marion Campus Public Safety Office.

SARNO (Sexual Assault Response Network of Central Ohio) offers a 24-hour Rape Helpline that can provide callers with emotional support, sexual assault information, and community referrals. The Helpline number is (614) 267-7020. SARNO can also provide rape patient advocates at Columbus area hospitals; or locate resources in other areas. The SARNO business office number is (614) 566-5847. Although providing services primarily for Domestic Violence, Turning Point is a Marion-based resource that can provide rape patient advocates and related resources. The contact numbers for Turning Point are: (740) 382-8988 or 1 (800) 232-6505.

**Campus Sex Crimes Prevention Act**

The Federal Campus Sex Crimes Prevention Act requires institutions of higher education to provide information advising the campus community where law enforcement information concerning registered sex offenders may be obtained. The responsibility for tracking persons in Ohio who have been designated as Sexual Predators is assigned to the Sheriff’s Office in various counties. For the Marion Campus (Marion County), this information can be found at the following website address: http://ohio.esorn.net/index.php?AgencyID=53963. For Delaware Center (Delaware County), this information can be found at the following website address: http://www.delawarecountysheriff.com/offender/offender1.htm.
Counseling Services

Students attending OSUM and Delaware Center have access to counseling services through numerous venues. OSUM students are entitled to up to ten (10) free sessions annually at the Daniel Ward Counseling Group. Students may speak with a counselor about issues causing academic, personal, and/or emotional distress; and explore ways to understand and alleviate concerns/issues. Appointments that accommodate student schedules can be made with either of the following:

COUNSELING AND CONSULTATION SERVICES
The Ohio State University
Younkin Success Center – Fourth Floor
1640 Neil Avenue
Columbus, Ohio 43201
(614) 292-5766

-OR-

STUDENT ASSISTANCE PROGRAM
The Daniel Ward Counseling Group
264 South Main Street
Marion, OH 43302
(740) 387-2027

At MTC, personal counseling is available to students on a limited and/or emergency basis. Local health care agencies are available with counseling services for personal problems that may interfere with academic progress. MTC also employs a licensed counselor, available through the Student Resource Center. More information on student counseling services offered to MTC students can be obtained by visiting the Student Resource Center in the Technical Education Center, room 183.

Crime Statistics
The United States Department of Education has established the following definitions under the Campus Security Act:

On Campus – Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of or in a manner related to the institution’s educational purposes, including residence halls; and any building or property that is within or reasonably contiguous to the area identified above that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes.

Non-Campus – Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Public Property – All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. Public property, for the data collection and this report, does not include businesses or private residences adjacent to the campus.

Based on the National Incident-Based Reporting System (NIBRS) of the Uniform Crime Reporting Program:

Sex Offenses – Forcible
Any sexual act directed against another person, forcible and/or against the person’s will; or not forcible or against the person’s will where the victim is incapable of giving consent

Forcible Rape - The carnal knowledge of a person, forcible and/or against the person’s will; or not forcible or against the person’s will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity (or because of his/her youth).

Forcible Sodomy - Oral or anal sexual intercourse with another person, forcible and/or against that person’s will; or not forcible against the person’s will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity.

Sexual Assault with an Object - The use of an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person’s will; or, not forcible or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.
MARION CAMPUS – The Ohio State University at Marion and Marion Technical College
Annual Campus Safety and Security Report - 2006

Forcible Fondling - The touching of the private body parts of another person for the purpose of sexual gratification, forcible and/or against that person’s will; or, not forcible or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.

Sex Offenses – Non-Forcible
Unlawful, non-forcible sexual intercourse

Incest - Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape - Non-forcible sexual intercourse with a person who is under the statutory age of consent

Crime Definitions as per the Uniform Crime Reporting Handbook:

Arson - Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle, or aircraft, personal property of another, etc.

Aggravated Assault - An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could and probably would result in a serious personal injury if the crime were successfully completed.

Burglary - The unlawful entry of a structure to commit a felony or theft. For reporting purposes this definition includes: unlawful entry with the intent to commit a larceny or felony; breaking and entering with the intent to commit a larceny; housebreaking; safecracking; and all attempts to commit any of the aforementioned.

Manslaughter By Negligence - The killing of another person through gross negligence

Murder and Non-negligent Manslaughter - The willful (non-negligent) killing of one human being by another

Motor Vehicle Theft - The theft or attempted theft of a motor vehicle (Classify as motor vehicle theft all cases where automobiles are taken by persons not having lawful access even though the vehicles are later abandoned, including joyriding)

Robbery - The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Drug Abuse Violations - Violations of State and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Liquor Law Violations - The violations of laws or ordinances prohibiting: the manufacture, sale, transporting, furnishing, possession of intoxicating liquor, maintaining unlawful drinking places; bootlegging; operating a still; furnishing liquor to a minor or intermperate person; using a vehicle for illegal transportation of liquor, drinking on a train or public conveyance; and all attempts to commit any of the aforementioned (Drunkenness and driving while under the influence are not included in this definition)

Weapon Law Violations - The violation of laws or ordinances dealing with weapon offenses, regulatory in nature such as: manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed or openly; furnishing deadly weapons to minors; aliens possessing deadly weapons; and all attempts to commit any of the aforementioned.

Footnotes:

Public Property statistics include police reports taken from the City of Marion Police Department, Marion County Sheriff’s Office, Delaware County Sheriff’s Office and State Highway Patrol, adjacent to the Marion Campus properties. Statistics in this field are representative of the numbers made available to Marion Campus Public Safety authorities at the time of this report. Every effort has been made to comply with the definitions contained in the Handbook for Campus Crime Reporting; however Public Property statistics provided by the aforementioned agencies are not independently verified by the Marion Campus Public Safety Office and may include reports of crimes that occurred in private residences or businesses or in other “non-campus” locations, including the Delaware Center location.

Residence Halls are not present on the Marion Campus (including the Delaware Center) and have therefore been omitted from this report. The residence hall portion of the Clery report is to include offenses that took place in any of the above-described properties, but within a residence hall.

Delaware Center statistics are obtained by request from the Delaware County Sheriff’s Office, Records Department; and are included in the “non-campus” section of the above statistics.

Hate Crimes: For the criminal offenses listed in this report, there were no reported occurrences that manifested evidence of a hate crime.
Marion and surrounding counties:
