Marion Campus Public Safety Information
This information is provided by The Marion Campus Public Safety Office as part of a shared commitment to safety on the Marion Campus and in compliance with the Student Right to Know and the Crime Awareness and Campus Security Act of 1990 - renamed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in 1998. For more information on the safety programs outlined in this document, please refer to the office or department listed. In the interest of your safety, Marion Technical College (MTC) and The Ohio State University at Marion (OSUM) hope you will become familiar with this material. Additional copies of this report, as well as additional safety and security information, can be obtained at the Marion Campus Public Safety Office, located in Morrill Hall, Room 140; or you may call 740-725-6300. Information is available on-line by accessing the Public Safety link on the OSUM home page or the MTC home page. (See page 9 for web addresses)

The Marion Campus
The Marion Campus, a commuter campus, is comprised of seven buildings located on 180 acres and shared by two autonomous institutions. MTC and OSUM jointly operate all parking lots, the library, student activities and maintenance facilities; and contract with vendors to operate the bookstore and vending services. There are over 3000 students, faculty, staff and visitors regularly using Marion Campus facilities. Located immediately adjacent to the Marion Campus is the Center for Workforce Development, operated by MTC in a leased facility that includes offices, conference and training rooms and classrooms. Located off campus (approximately 30 miles south of Marion), but considered part of OSUM, is the Delaware Center. The Delaware Center has full time and commuting staff/faculty and approximately 800 students using the facility, which is comprised of one leased building near the intersection of US 23 and Orange Road. Campus facilities described above offer day and evening courses.

Public Safety Supervisor
OSUM, in cooperation with The Ohio State University (Columbus) and MTC, recently (July ‘07) hired one full time Public Safety Supervisor assigned to the Marion Campus. The position is that of a fully sworn Ohio State University Police Officer, working under the authority of The Ohio State University Department of Public Safety, University Police Division. The Marion Campus officer is empowered to use investigative authority on reasonable suspicion of crime, to search and arrest as authorized by law, and to use reasonable and necessary force to enforce laws and protect property on all Marion Campus lands and as provided by any mutual aid compacts established with other jurisdictions. The officer’s oath of office is a personal commitment to the rule of law and constitutional limitations of police authority. The officer assigned to Marion Campus performs the same duties and has the same authority as police officers in Ohio cities. All reported crimes are evaluated and investigations conducted to determine the responsible party. The Marion Campus officer enforces laws regulating underage drinking, use of controlled substances, weapons and all other incidents requiring police assistance. The public safety office does not maintain 24 hour, 7 day/week coverage. Therefore, Marion Campus utilizes the Marion County Sheriff’s Office (MCSO) as the primary contact for emergency services when the public safety supervisor is not available to respond. Calls for assistance that are received during the hours listed for the Marion Campus officer will be dispatched by MCSO dispatch. When the Marion Campus public safety officer is not on duty, sheriff deputies are sent in his place and will
handle incidents consistent with MCSO policies and procedures. MCSO reports all after-hour incidents to the Marion Campus officer for necessary follow-up; or may elect to call the Marion Campus officer in for duty under specific circumstances. MTC currently contracts with the Marion County Sheriff’s Office for evening special duty officers (Monday through Thursday from approximately 6 p.m. to 10 p.m.) to provide additional safety and security for those using the campus during the evening hours. The State Highway Patrol and the OSU Division of Police are additional law enforcement, safety and security resources utilized by Marion Campus. The Marion Campus Public Safety Office also provides limited safety and security services to the Delaware Center. The Delaware County Sheriff’s Office (DCSO) is the primary contact for emergency services at the Delaware Center. Because there is no on-campus law enforcement available at that location, all emergency calls are handled by the DCSO. The Marion Campus Public Safety Office is located on the Marion Campus - Morrill Hall, Room 140; telephone number 740-725-6300. Normal office hours are Monday through Friday, 9 a.m. to 6 p.m.

Dial 9-1-1 to report emergencies if calling from phones located in the Alber Student Center, the Library/Classroom Building, the Maintenance/Storage/Receiving Building, Maynard Hall, Morrill Hall or the Delaware Center. When calling from the Technical Education Center or the Center for Workforce Development, dial 9-9-1-1 in order to establish the outside line. When calling 9-1-1 on a cell phone from Marion campus, the call will be routed to the Marion County Sheriff’s Office. Similarly, the Delaware County Sheriff’s Office receives cell phone calls that are made from the Delaware Center.

**Personal Responsibility**

In spite of the Marion Campus’ small city location and relatively smaller physical size, crime does occur. Members of the campus community are encouraged to be aware of their surroundings and situation and to be responsible for their personal safety. Continual efforts are made to ensure the safety of the campus community by having grounds that are well lit, patrolled and traveled. The Marion Campus publishes crime statistics so that students, faculty, staff and visitors will be aware of the potential for crime. We subscribe to the philosophy that publicizing crime and campus safety information will only help make the campus safer. Similarly, we subscribe to the philosophy that an alert, well educated campus is a safe campus. Consequently, many campus departments are involved with keeping a safe campus environment. Marion Campus Public Safety also maintains a daily crime log to document incidents on the campus. This information is available for inspection at the public safety office in Morrill Hall, Room 140.

**Reporting Crime or Emergencies**

Under Ohio law, persons who have knowledge of a felony (a victim or witness to the crime) are required to report the crime to the police (Ohio Revised Code § 2921.22). Failure to report a crime may itself be a crime. Ohio’s public records law (Ohio Revised Code § 149.43) does not permit the Marion Campus to promise confidentiality to those who report crimes to anyone except counselors at Counseling and Consultation Service, or under certain circumstances, to a physician or nurse at the Student Health Center or a hospital. Some off-campus reports also may be legally confidential (e.g. reports to clergy or health care professionals). Reports that are confidential by law will not be reported for inclusion in the annual crime statistics report.
Because of the requirements of public records laws, and counselor, medical professional and clerical confidentiality, the Marion Campus does not have a policy that permits confidential reporting of crimes to these individuals for inclusion in the annual crime statistics report. The public safety office prepares the annual disclosure of campus crime statistics. The data are obtained from campus reports and reports from appropriate law enforcement agencies. No formal police report is required for a crime to be included in the statistics. Every effort is taken to ensure that statistics are as accurate and complete as possible. Anyone with questions or concerns regarding the annual report may contact Marion Campus Public Safety at 740-725-6300.

**Non-Emergency Reporting**
The Marion Campus Public Safety Office strongly encourages prompt, accurate reporting of all crimes or suspicious activities or incidents. Normal business hours maintained by the Marion Campus Public Safety Office are Monday - Friday, 9 a.m. to 6 p.m. Reports of crimes/incidents occurring on the Marion Campus may be made to the public safety officer by calling (740) 725-6300. Extension (6300) may be utilized to call from campus phones with appropriate extension prefixes; depending from which building the call is being made (see example below).

Technical Education Center and Center for Workforce Development: Dial 8-0-5-6300
All other buildings (including Delaware Center): Dial 5-6300

Reports may also be made in person during those hours by visiting the public safety office; or by visiting another campus department authority (e.g. Student Affairs Director) for assistance with making a report. The Public Safety Office is located in Morrill Hall, Room 140. If contact is not made with the public safety supervisor, calls for assistance can be directed to the Marion County Sheriff’s Office - (740) 382-8244 or The Ohio State University (Columbus campus) dispatch center – (614) 292-2121. Non-emergency police assistance for the Delaware Center can be obtained through the Delaware County Sheriff’s Office – (740) 833-2800.

**Emergency Reporting**
In the event of a fire, medical or law enforcement emergency, when calling from the Technical Education Center or the Center for Workforce Development, dial 9-9-1-1 in order to establish the outside line.

Dial 9-1-1 to report emergencies if calling from phones located in the Alber Student Center, the Library/Classroom Building, the Maintenance/Storage/Receiving Building, Maynard Hall, Morrill Hall or the Delaware Center.

When calling 9-1-1 on a cell phone from campus, the call will be routed to the Marion County Sheriff’s Office (Marion Campus); or the Delaware County Sheriff’s Office (Delaware Center).

**Timely Warning Policy**
The Marion Campus Timely Warning Policy exists to notify the campus community of a violent crime against a person or a particularly threatening crime against property on campus that represents an ongoing danger to the safety of students, faculty and staff. All crimes should be reported to campus public safety for the purpose of making timely warnings; and for the
Disclosure of annual statistics. The Marion Campus Public Safety Office will disseminate a timely warning to the campus community by using “Crime Alert” posters, email, website postings, local news media, newsletters and other mailings/methods as deemed appropriate by the Public Safety Supervisor. When advised by local authorities of crimes occurring off-campus that represent an ongoing threat to the safety of students, faculty and staff, Marion Campus Public Safety will use the same method as above in an effort to publicize the crime to the campus community. Information to be included in the timely warnings is as follows: (1) A succinct statement of the incident; (2) Possible connection to previous incidents, if applicable; (3) Physical description of the suspect; (4) Photo or composite drawing of the suspect, if available; (5) Date and time the warning was released; and (6) Any other relevant and important information.

**Reporting Sexual Assault**

Students who are sexual assault survivors should give strong consideration to reporting the incident. Reporting an assault does not require filing criminal charges, but it does allow support systems to be put in place for the survivor. Students can make their report to the campus public safety officer, local law enforcement or advisors to student organizations, athletic coaches and offices dealing with judicial/disciplinary affairs (MTC – Student Resource Center; OSUM/Delaware Center – Office of Student Affairs). Campus administrators or other personnel will assist the student in notifying the authorities if requested.

Students reporting a sexual assault will be offered assistance in obtaining medical support and information regarding legal and judicial action, as well as counseling and support services. If requested by the survivor, and if reasonably available, the survivor will be assisted in changing their academic situation after the alleged assault.

Students who choose to file criminal charges should be aware of the importance of immediately reporting the incident and the importance of preserving physical evidence at both the assault scene and on the survivor’s person. The gathering of physical evidence can provide important evidence and support of criminal charges leading to a successful prosecution. Students who are reporting an immediate assault should be accompanied to a health care facility of their choice to allow for collection of evidence and treatment. If a survivor chooses to report the incident days, weeks or even months after the assault, important support systems are still available and can be arranged; however, criminal investigations then become much more difficult. Sexual assaults for which individuals seek medical treatment must be reported to the appropriate police agency by health care officials. However, as noted above, survivors are not required to criminally prosecute the case or file a police report, unless the sexual assault survivor is a minor.

In addition to criminal charges, students have the right to bring charges through MTC or OSUM judicial or disciplinary systems. OSUM or Delaware Center students should contact Michael Short, Director of Student Affairs, Room 100H, Maynard Hall. MTC students should contact R. Andrew Harper, Vice President of Student Services, Room 176 of the Technical Education Center. In addition to legal and judicial action, a sexual assault survivor may consider retaining a private attorney for the purpose of filing a civil action for recovery of damages. Descriptions regarding each institution’s judicial process can be located in the Student
Handbooks, available in hardcopy or by visiting the respective institution websites. The specific website addresses for each institution are located in the “Drug and Alcohol Abuse Prevention” section of this report.

The Student Services Section of the MTC Student Handbook offers information on personal safety and security, as well as other helpful information regarding assault prevention and general safety. The Ohio State University, Student Affairs Office, publishes an on-line (pdf) Resource Guide for Sexual Assaults Involving Students. The resource guide contains information and policies concerning sexual assault; and makes reference to the Student Code of Conduct, for which all OSUM and Delaware Center students are held accountable. The resource guide can be found at the following link: http://www.swt.osu.edu/for-students/sexual-violence-education-and-support-sves/ (search under the SVES – support tab). OSUM or Delaware Center students needing further assistance with such matters can contact Marion Campus Public Safety or Michael Short, Director of Student Affairs, Room 100H, Maynard Hall.

**Campus Sex Crimes Prevention Act**
The Federal Campus Sex Crimes Prevention Act requires institutions of higher education to provide information advising the campus community where law enforcement information concerning registered sex offenders may be obtained. The responsibility for tracking persons in Ohio who have been designated as Sexual Predators is assigned to the Sheriff’s Office in various counties. For the Marion Campus (Marion County), this information can be found at the following website address: http://ohio.esorn.net/index.php?AgencyID=53963. For Delaware Center (Delaware County), this information can be found at the following website address: http://www.sheriffalerts.com/cap_main.php?office=53920.

**Security Awareness and Crime Prevention**
Both MTC and OSUM offer continuing educational programs on personal safety, security awareness and crime prevention. OSUM provides students with appropriate safety, awareness and crime prevention training during new student orientations as well as during the University Survey course (USAS 100). Michael Short, Director of Student Affairs, Room 100H, Maynard Hall, is responsible for OSUM student programs. OSUM employees are provided with similar information during their new employee orientation through the Human Resources Office, Room 250 Maynard Hall. MTC provides students with appropriate safety, awareness and crime prevention training during the College Orientation course (Skills for Success). R. Andrew Harper, Vice President of Student Services, Room 176 of the Technical Education Center, is responsible for MTC student programs. MTC employees are provided with similar information by Rick Heisel, Personnel Specialist, Room 106 of the Technical Education Center. The Marion Campus Public Safety Office is available to assist students; faculty and staff with safety/security needs, as well as provide individual assistance, group presentations or other crime prevention or security assistance to the campus community.

**Criminal Activity Off-Campus**
The Marion Campus Public Safety Office works closely with the Marion County Sheriff’s Office on all criminal matters occurring on-campus or in areas within close proximity to the campus. A mutual aid agreement has been proposed to enhance this relationship. Marion Campus Public
Safety maintains direct radio communications with the Marion County Sheriff’s Office and the Ohio State University, Division of Police.

**Counseling Services**

Students attending OSUM and Delaware Center have access to counseling services through numerous venues. Students may speak with a counselor about issues causing academic, personal, and/or emotional distress; and explore ways to understand and alleviate concerns/issues. Appointments that accommodate student schedules can be made with either of the following:

**COUNSELING AND CONSULTATION SERVICES**

The Ohio State University  
Younkin Success Center – Fourth Floor  
1640 Neil Avenue  
Columbus, Ohio 43201  
(614) 292-5766

-OR-

**STUDENT ASSISTANCE PROGRAM**

Daniel Ward Counseling Group  
264 South Main Street  
Marion, OH 43302  
(740) 387-2027

At MTC, personal counseling is available to students on a limited and/or emergency basis. Local health care agencies are available with counseling services for personal problems that may interfere with academic progress. MTC also employs a licensed counselor, available through the Student Resource Center. More information on student counseling services offered to MTC students can be obtained by visiting the Student Resource Center in the Technical Education Center, room 183. The Marion Campus Public Safety Office provides assistance and direction to students seeking assistance.

**Drug and Alcohol Abuse Prevention**

The Federal Drug Free Schools and Community Act requires schools, colleges and universities receiving federal financial assistance to implement and enforce drug and alcohol prevention policies and programs for students and employees. OSUM and MTC have adopted and implemented drug and alcohol abuse prevention policies for students and employees. Each institution has its own policies and programs for employees, but cooperatively operates common programs for all Marion Campus students. David L. Beckel, Director of Student Activities for both institutions is responsible for the joint effort programs. His office is located in the Alber Student Center, Room 104. The student activities office provides literature and programming during the regular academic year. Marion Campus Public Safety is also available by request to provide Drug and Alcohol Abuse Prevention programs intended to educate, heighten awareness and promote prevention of abuse.
Further, the Marion Campus’ alcoholic beverage policy requires that all persons attending any function at which alcohol is served must be able to show proof of legal drinking age. Non-alcoholic beverages are provided for individuals attending such functions. Both institutions prohibit the illegal use, production, manufacture, sale, distribution and/or possession of alcohol, drugs or controlled substances. In addition, the misuse of substances which present physical or psychological hazards to individuals is prohibited. Penalties for violation of these regulations are set forth in the respective institutional Codes of Student Conduct. The Conduct Code for MTC students can be located at the following website address: http://www.mtc.edu/DownloadableForms/StudHdbk.pdf.

The Code of Student Conduct for OSUM and Delaware Center students can be found at the following website address: http://studentaffairs.osu.edu/resource_csc.asp.

Students can also refer to the following website for additional assistance/guidance for safer and healthier living: http://www.swc.osu.edu/default.asp. This OSU website offers a variety of health/wellness information. MTC publishes “Drug-Free Information,” a brochure describing MTC policies and applicable state and federal laws and sanctions. The brochure also describes possible risks and includes area agencies that may provide assistance. Drug-Free Information brochures are available at the MTC Information Center, MTC Student Services Office, Student Activities Office and Marion Campus Public Safety. Additional support can be obtained by contacting the MTC Student Resource Center in the Technical Education Center, Room 183, Marion Campus Public Safety in Morrill Hall, Room 140 or the OSUM Student Affairs Office in Maynard Hall, Room 100.

**Campus Buildings/Grounds**

When classes are in session on the Marion Campus, most campus buildings are open from 7:00 a.m. until the last evening class lets out (usually no later than 10:30 p.m.), Monday through Friday. Similar hours are maintained at the Delaware Center. When the campus is closed, all buildings are locked and may be opened only by authorized personnel. The Marion Campus building/grounds maintenance staff, who are required to wear uniforms with identifying insignia, are responsible for maintenance, safety and security of buildings and grounds, to include lighting and tree trimming. Campus lights and landscaping are evaluated constantly with regard to safety issues and campus crime reports are also used to identify problem areas on campus. No established campus or non-campus residence halls are operated by the Marion Campus. Emergencies may necessitate changes or alterations to any posted campus schedules or hours. In the case of an extended closing, the Marion Campus will admit only those who have approval onto campus grounds. During periods of potential closings or delays, students should closely monitor local news media, radio stations, email or website postings to determine the status of the campus. Closings, delays and directions are posted at:

For OSUM & Delaware Center: http://www.marion.ohio-state.edu/delays_directions/delays.html
The Superintendent of Facilities and Security, Ron Turner, is responsible for campus building/grounds maintenance. Facilities/Building Maintenance can be reached at 740-725-6276. Building emergencies can be reported (including after business hours) by calling this number.

**Safety Escort Service**

The Marion Campus Public Safety Office is in the process of developing safety escort services for students, faculty and staff. Uniformed personnel with mobile communication capabilities will be available to walk (or in some cases drive) persons to and from on-campus destinations. For security purposes, safety escort personnel carry and exhibit identification. The hours of operation are currently Monday through Friday, 9:00 a.m. to 6:00 p.m. Plans are under way to develop a method which will make it possible to increase the number of hours the safety escort service can be offered (especially during the late evening hours). The service is free and only requires users to show valid MTC or OSUM identification. For additional details on this program, or to arrange a safety escort, contact the Marion Campus Public Safety Office at Morrill Hall, Room 140 or call (740) 725-6300. Changes in hours of operation or procedures for use will be made available to the campus community when necessary. This service is not currently available at the Delaware Center and people using that facility are encouraged to take appropriate measures for their own safety when arriving or departing. (Refer to Safety Tips and Crime Prevention Information section below). This information is current at the time of this report’s publication. Check with the Public Safety Office for potential changes in the service.

**Personal Safety Tips**

Following are some tips for increasing personal safety both on and off the Marion Campus or at the Delaware Center. Emergency contact numbers are also included in this section for both Marion Campus and Delaware Center.

- Report any crime or suspicious behavior immediately.
- When walking to or from campus, walk with confidence; show that you are aware and in control. Be constantly aware of your surroundings.
- If you have a cell phone, ensure that it is charged before you leave campus.
- Walk with at least one other person.
- Use well lit, well traveled routes.
- When walking, take note of potential hiding spots and use caution as you approach them.
- When approaching your car or your door, get your keys out in advance; don’t fumble for your keys at the door.
- Notify others of your plans (i.e. arrival/departure times and locations).
- Avoid carrying large amounts of cash.
- If you feel uncomfortable in a situation, leave as soon as possible.
- If available at your location, call for an escort in the evening.
- Consider carrying a small, readily available high-intensity flashlight.
- Always lock your vehicle doors, even while you are driving.
- Park in well lighted areas and remove valuables from sight.
- Be familiar with emergency procedures provided by the campus.
In the event of a fire, medical or law enforcement emergency, dialing 9-1-1 or 9-9-1-1 will mobilize the appropriate response - regardless of the time of day. Dial 9-1-1 to report emergencies if calling from phones located in the Alber Student Center, the Library/Classroom Building, the Maintenance/Storage/Receiving Building, Maynard Hall, Morrill Hall or the Delaware Center. When calling from the Technical Education Center or the Center for Workforce Development, dial 9-9-1-1 in order to establish the outside line. When calling 9-1-1 on a cell phone from campus, the call will be routed to the Marion County Sheriff's Office (Marion Campus); or the Delaware County Sheriff’s Office (Delaware Center).

Marion Campus Public Safety (Non-Emergency):
From outside lines or cell phones: Dial 740-725-6300.
From Technical Education Center and Center for Workforce Development: Ext. prefix is (8-0-5-6300)
From Alber Student Center, Library/Classroom Maintenance/Storage/Receiving, Maynard Hall, Morrill Hall or the Delaware Center: Ext. prefix is (5-6300)
Marion County Sheriff: Non-Emergency: 740-382-8244
Delaware County Sheriff: Non-Emergency: 740-833-2800; or contact Marion Campus Public Safety Office at 740-725-6300.

Crime Statistics
The United States Department of Education has established the following definitions under the Campus Security Act:

On Campus – Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of or in a manner related to the institution’s educational purposes, including residence halls; and any building or property that is within or reasonably contiguous to the area identified above that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes.

Non-Campus – Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Public Property – All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. Public property, for the data collection and this report, does not include businesses or private residences adjacent to the campus.

Footnotes:
A. Public Property statistics include police reports taken from the City of Marion Police Department, Marion County Sheriff’s Office, Delaware County Sheriff’s Office and State Highway Patrol, adjacent to the Marion Campus properties. Statistics in this field are representative of the numbers made available to Marion Campus Public Safety authorities at the time of this report. Every effort has been made to comply with the definitions contained in the Handbook for Campus Crime Reporting; however Public Property statistics provided by the aforementioned agencies are not independently verified by the Marion Campus Public Safety Office and may include reports of crimes that occurred in private residences or businesses or in other “non-campus” locations, including the Delaware Center location.
B. Hate Crimes are crimes that manifest evidence that the victim was intentionally selected because of the victim’s actual or perceived race, religion, sexual orientation, gender, ethnicity or disability. [Note: For the criminal offenses listed in this report, there were no reported occurrences that manifested evidence of a hate crime.]
C. Residence Halls are not present on the Marion Campus (including the Delaware Center) and have therefore been omitted from this report. The residence hall portion of the Clery Report is to include offenses that took place in any of the above-described properties, but within a residence hall.
D. Delaware Center statistics are obtained by request from the Delaware County Sheriff’s Office, Records Department; and are included in the “non-campus” section of the below statistics.
