Final Exam Schedule Conflicts:

Students who have exams that conflict have the option of working with their instructors to find an agreeable time for taking the exams. Students should provide their instructors with a copy of their schedule at the time the request is made. The schedule will be used to verify that they have conflicting exams.

Multiple Exams on the Same Day:

The University does not have a policy regarding students with multiple final exams on the same day. Upon request, accommodations may be made for students at the discretion of the instructor.
